

Network Meetings to Inspire and Inform
Bradford and Beyond Primary Maths Subject Leaders

BE PART OF IT

Hosted by Sharon Day

2020 - 2021

In these uncertain times it is good to create support networks. For the fourth year running, this series of five afternoon workshops, spread across the academic year, is for Bradford (and beyond) subject leaders of mathematics. It will provide them with the opportunity to update, network and develop. The sessions will keep them up to speed with new initiatives and there will also be bespoke elements to the sessions as the content will be built around meeting identified needs within your own school. Agendas will be set by the mathematics subject leaders attending which will be complemented by messages, ideas and resources that the course leader will share with them. Maths subject leaders from the schools who attended over the last three years are signing up again, so join us and **be part of it**.

- The training will take the form of five afternoon sessions, spread across the academic year.
- The cost is £225 for the year's support for each subject leader.
- The venue for most of the sessions are yet to be decided – it is hoped that schools taking part will offer to host, thereby showcasing their own school to other delegates.

Our first session will take place at the New Cross Street site of:
Bowling Park Primary School, New Cross Street, West Bowling, BD5 8BT.

Sessions	Date	Time	Venue
Session 1	Thursday 1 st October	1:30 – 3:30 pm	Bowling Park Primary – New Cross Street building.
Session 2	Thursday 19 th November	1:30 – 3:30 pm	to be decided
Session 3	Thursday 4 th March	1:30 – 3:30 pm	to be decided
Session 4	Thursday 20 th May	1:30 – 3:30 pm	to be decided
Session 5	Thursday 17 th June	1:30 – 3:30 pm	to be decided
