

Maths Moderation Network Meetings 2020/21

Hosted by Bowling Park Primary School (Usher Street Site)

Facilitated by Sharon Day of SharonDayMaths Ltd.

This year, more than any other, we need to support one another with how to ensure children reach age-related expectations. These network meetings will involve teachers, from a variety of Primary school settings, meeting with one another to reach agreements on expectations and to share evidence with each other of maths outcomes.

The aims of these network meetings are to:

- Look at age-related maths for their own year group
- Consider the steps needed to reach ARE
- Share ideas and tasks, referring to the National Curriculum requirements
- Referencing the Mathematics Guidance (DfE July 2020)
- Also consider Greater Depth in Maths (mostly in session 2)

There are two sessions, one in December and one in April.

	Session 1	Session 2
Y1	Wed 2 nd December 9:30 – 11:30	Wed 28 th April 9:30 – 11:30
Y2	Wed 2 nd December 1:30 – 3:30	Wed 28 th April 1:30 – 3:30
Y3	Thurs 3 rd December 9:30 – 11:30	Thurs 29 th April 9:30 – 11:30
Y4	Thurs 3 rd December 1:30 – 3:30	Thurs 29 th April 1:30 – 3:30
Y5	Fri 4 th December 9:30 – 11:30	Fri 30 th April 9:30 – 11:30
Y6	Fri 4 th December 1:30 – 3:30	Fri 30 th April 1:30 – 3:30

Venue: Bowling Park Primary School, Usher Street, East Bowling, Bradford, BD4 7DS

Tel: 01274 723 255

The cost to each delegate, for both sessions, is £100
